Stunning Spring Sweaters

Since the creators of fashions for Spring have ordained Sweaters as "the thing"-and aside from that a Sweater is such a handy and utilitarian article, we have spared no expense in getting everything that is new and desirable in Spring Sweaters-this collection is one of the finest we have ever shown-your wardrobe is not complete without a sweater-but be sure it is a pretty one.

elty-fine, soft yarn, slipover wool, fibre and all silk sweaters and ripple styles, belt and fancy sleeves, plain and colored combinations-all the new Spring motoring, sports, or chilly nights shades—for motoring, sports and 7.50
